ORDER OF DETENTION

Defendant is presently in federal and state custody, as he has been detained on federal charges from the U.S. District Court in Boston and also is serving a state sentence. Therefore, by agreement of counsel, the Government's motion for detention is granted, without prejudice to defendant filing a motion for reconsideration, if and when his release from custody appears imminent, and upon consultation with the U.S. Probation Office regarding a potential bond package.

Dated at New Haven, Connecticut, this 2nd day of December, 2008.
